## **Class Directory Consent**

Each year we prepare class directories for each class. The directories include the student's name, parents'/guardians' names, address, home phone number, and e-mail address. This is not a schoolwide directory. It will only contain the students in your child's classroom. The directory comes in handy for contacting friends, party invitations, organizing classroom parties, etc. Please identify below your option for inclusion in your child's classroom directory.

\_\_\_\_\_ I would like my child to be included in the classroom directory. I give my permission to release the information named above.\*

\* Would you like parents' cell phone #'s included along with home phone #?  Yes  No

\_\_\_\_\_ Please do not include my child's information in the classroom directory (Child's name only will be included).
